

EYFS

The EYFS framework is structured very differently to the national curriculum as it is organised across seven areas of learning rather than subject areas.

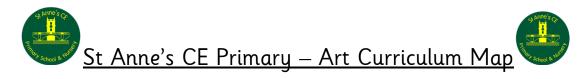

Statements are from the 2020 Development Matters and are prerequisite skills for art within the national curriculum. The table below outlines the most relevant statements taken from the Early Learning Goals in the EYFS statutory framework and the Development Matters age ranges for Three and Four-Year-Olds and Reception to match the programme of study for art.

The most relevant statements for art are taken from the following areas of learning:

- Physical Development
- Expressive Arts and Design

<u>Nursery</u>

Conker	Physical Development	Explore paint, using fingers and other parts of their bodies as well as brushes and other tools.				
2-3yr old		 Express ideas and feelings through making marks, and sometimes give a meaning to the marks they make. 				
	Expressive Arts and Design	 Explore different materials, using all their senses to investigate them. 				
		Manipulate and play with different materials.				
		 Use their imagination as they consider what they can do with different materials. 				
		Make simple models which express their ideas				
Acorn	Physical Development	Use large-muscle movements to wave flags and streamers,				
2.4		paint and make marks.				
3-4yr old		Choose the right resources to carry out their own plan.				
		• Use one-handed tools and equipment, for example, making snips in paper with scissors.				
		Use a comfortable grip with good control when holding pens and pencils				
	Expressive Arts and Design	• Explore different materials freely, in order to develop their ideas about how to use them and what to make.				
		Develop their own ideas and then decide which materials to use to express them.				
		Join different materials and explore different textures.				
		 Create closed shapes with continuous lines, and begin to use these shapes to represent objects. 				
		• Draw with increasing complexity and detail, such as representing a face with a circle and including details.				

Use drawing to represent ideas like movement or loud noises.
• Show different emotions in their drawings and paintings, like happiness, sadness, fear, etc.
Explore colour and colour mixing.

Reception

Reception	Physical Development	Develop their small motor skills so that they can use a range of tools competently, safely and confidently.				
		 Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor. Develop overall body-strength, balance, coordination and agility. 				
	Expressive Arts and Design	Explore, use and refine a variety of artistic effects to express their ideas and feelings.				
		 Return to and build on their previous learning, refining ideas and developing their ability to represent them. 				
		Create collaboratively, sharing ideas, resources and skills.				
ELG	Physical Development: Fine Motor Skills	Hold a pencil effectively in preparation for fluent writing - using the tripod grip in almost all cases.				
		 Use a range of small tools, including scissors, paintbrushes and cutlery. Begin to show accuracy and care when drawing. 				
	Expressive Arts and Design: Creating with Materials	Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.				
		Share their creations, explaining the process they have used.
