

## Ordering Toast for morning break on ParentPay

Children are able to have toast, provided by the school catering team, at morning break each day.

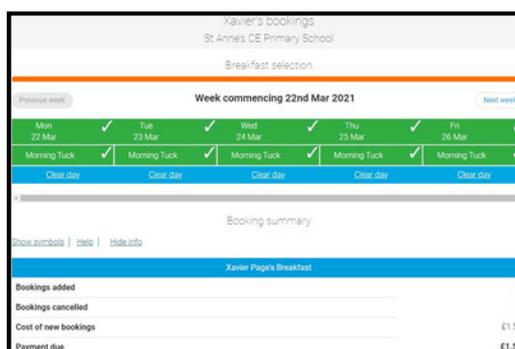

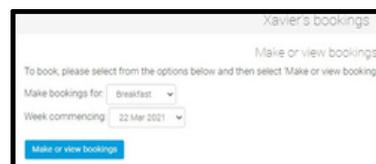

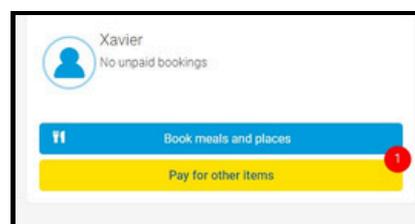

This can be booked and paid for on ParentPay.

You **MUST** book toast for your child each day, to ensure they are added to the toast list. It must be ordered and paid for by midnight on Sunday for the coming week.

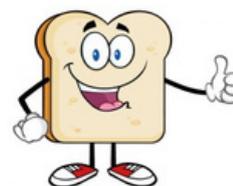

Toast is £1.60 per week. **IT IS NOT SOLD DAILY.** When you book and pay for toast you do so for the whole week.

Below are instructions on how to order toast:
